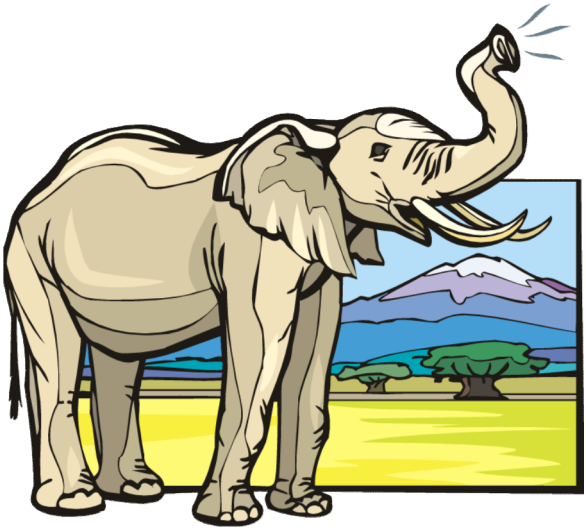
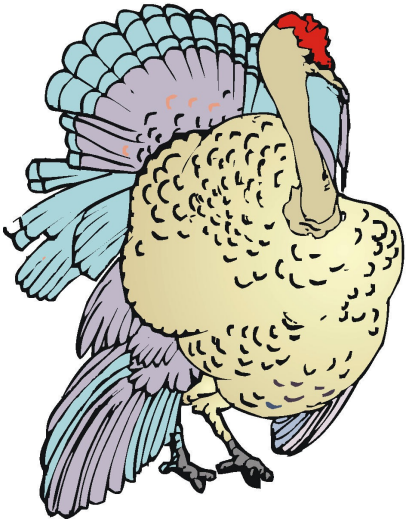
Roar like a lion.

Trumpet like an elephant.



Squawk like a cockatoo.

Gobble like a turkey.



Growl like a grizzly bear.

Screech like a bat.

Why this book is good

- It is fun to be able to read with fluency and without hesitations to work out a word.
- To practise reading the same book until it has been perfected.
- This book is also a good vehicle for learning how to turn pages correctly and quickly from the top right-hand corner.
- Vocabulary words learnt here provide an incentive to collect more animal noise words to then write and illustrate a book of one's own.
- The simile is introduced in an easy and practical context to enable learners to remember, recognise and use this literary device.
